Turnstyle Designs to showcase the Latest Luxury Hardware collection at ICFF 2023.

New York City, NY – Turnstyle Designs, a leading manufacturer of luxury door handles and architectural hardware, is pleased to announce its participation in the International Contemporary Furniture Fair (ICFF) 2023. The annual trade show will be held at the Jacob K. [Javits Convention Centre in New York City from May 21-23, 2023.](#)

Turnstyle Designs is known for its unique approach to design, incorporating the finest materials and exceptional craftsmanship, all of which are designed and manufactured in England. The company's attention to detail and dedication to quality has earned it a reputation as one of the world's leading manufacturers of luxury hardware. The collections on display will feature a range of finishes and materials, including leather, brass, Amalfine™ and our latest designs.

“We are thrilled to be part of ICFF 2023 and to showcase our latest collection of furniture hardware” said Doug Lyman, Sales Manager for North America. *“Our products are not only functional but also add an element of style and elegance to any interior and exterior space. We are excited to share our latest innovations with attendees at ICFF.”*

Turnstyle Designs' booth at ICFF 2023 will feature several new product lines including the [Bracket](#) and [Stepped range](#).

ICFF is one of the premier events in the interior design industry, bringing together architects, designers, and other industry professionals from around the world. Turnstyle Designs' participation in the event is a testament to the company's commitment, innovation and design excellence.

Discover how we produce our luxury, hand made hardware via our social media channels:

Delivering luxury door hardware for high-end residential, commercial and yacht projects for 30 years, Turnstyle Designs was founded by Steve Roberts in 1992. Steve and his wife Christina work collaboratively to design some of the world's most innovative decorative hardware, using a broad palette of materials and finishes including, brass, leather and Amalfine™.

From hand stitched leather to individually hammered door hardware, attention to detail is found in every product made. Turnstyle is proudly British made and manufactured in the beautiful Devon countryside. With multiple product combinations and flexibility to allow customisation, there is something for everyone.
